Dear Jacquie,

It is with great pride and pleasure that Betty Ferguson Foundation recognizes you as our 2010 Woman of Honor.

This honor is bestowed upon you in appreciation and recognition of your service as a philanthropist and visionary within our community. Your achievements have provided an unparalleled example for women throughout the Santa Clarita Valley, and beyond. Your dedication, hard work, and tireless effort to bring high quality opportunities to Santa Clarita Valley residents are remarkable.

Betty Ferguson Foundation will welcome you at this year's Woman of Honor Dinner, on Saturday, September 11, 2010, where your family, local leaders, citizens and beneficiaries of your contributions will be afforded the opportunity to honor you.

Betty Ferguson Foundation's mission is simple: "*Train, Develop & Empower.*" Jacquie, our foundation is dedicated to identifying and providing all that is possible for women, and you embody that spirit.

Please accept this letter as confirmation of your participation and support of a public event, to be held in your honor, under the banner and as part of the annual Woman of Honor Dinner.

Respectfully Yours,
